

First a few notes about the Animal Behavior Society meeting. Registration, Notices of session times, abstracts, etc. can be obtained at: Illini Union (Wright and Green, Urbana) Illini Room C, Friday night 6-11; Commerce West (Gregory and 6th, Champaign) Rm 141, Saturday 8-4, Sunday 8-12.

Note in particular that the major dormitory housing has been changed from Florida Avenue Residence to Bromley Hall (Chalmers and 3rd, Champaign). The human ethology paper sessions will be Saturday night 6-9 and Sunday 9-12 a.m. The workshop session will be Sunday 1:30-5:00. See the Notices for the particular time of your talk. All Human Ethologists are invited to a party at Omark's apartment, 52 E. Green, Champaign, Saturday night after the paper session is over.

Second, the English meeting will be held from June 25 to 29 at the Institute of Child Health, University of London, 30 Guilford St., London WC1N 1 EH, ENGLAND, thanks to the efforts of Dr. N. Blurton Jones. The opening session will be held at 10:00 a.m. and notices of meeting places will be found in the entrance lobby of the Institute. Registration will be £1 and will be used to reproduce abstracts and to cover communication costs. Please send all abstracts to Donald R. Omark before June 1.

Thirty dormitory rooms will be available on a first-come first-served basis. For reservations write immediately to Dr. N. Blurton Jones at the Institute of Child Health. The rooms have been reserved for the night of the 24th through the night of the 28th. If you need to stay the night of the 29th please indicate such in your reservation.

Third, next year's meetings will be planned at this summer's sessions so that more notice can be given. Among the possibilities are meeting with the Society for Research on Child Development, or again with ABS in America; and perhaps having an extended session coupled with the International Society for the Study of Behavioral Development at the University of Surrey, in July 1975, in England. After we are established as a group it may be best to meet biennially. Any comments?
